To Whom It May Concern:

We, A Plus Manpower Service Services Pte. Ltd, have been acquainted with Suganya Devi (TVSG Softech Pvt Ltd) in year of 2018, in her capacity as a web solution provider for my small business. She completely overhauled my website and has been responsible for its ongoing maintenance and search engine optimization as well.

Suganya's design and optimization, we believe, are largely responsible for the dramatic increase in traffic to our site, and for the resulting increase in profits for the business. She is easy to work with, thinks creatively, and effectively communicates her ideas. She has been a true game-changer in identifying and enhancing the areas of my website that weren't performing as well as they could have, and thus She has our highest endorsement.

Our company website: www.aplusmanpower.com.sg; If you have any additional questions or need clarification, please feel free to contact us at info@aplusmanpower.com.sg.
